

REMOTE DEPOSIT

DEPOSIT ANY CHECK... INTO ANY ACCOUNT... FROM ANY LOCATION... AT ANY TIME!

Deposit Checks Quickly, Easily & Conveniently from your Desktop

FEATURES & BENEFITS OF USING CLEARED CHECK™ REMOTE DEPOSIT

- ✓ Next Day Funding & Access to your Money
- ✓ 24/7 access to detailed payment information
- ✓ Retrieve & View check images
- ✓ Eliminate courier fees or trips to the bank
- ✓ Deposit to different accounts at different banks or consolidate funds from various locations into one bank

HOW DOES REMOTE DEPOSIT WORK?

ClearedCheck™ Remote Deposit gives you the ability to electronically scan your checks and deposit them into your bank account without having to actually go to the bank. Access your check images and deposit status around the clock. Simply scan your checks and watch our system convert each check into an electronic image resulting in a electronic deposit into your bank account. Increase office productivity, save time & reduce expenses. No more photocopies of checks, or filling out deposit slips.

ClearedCheck™ makes Remote Deposit easy!

CUSTOMIZED TURNKEY SERVICE

ClearedCheck™ is great for any size Business. We also offer complete system customization for large volume check processors such as Banks (Re-branding program available), Utilities and Insurance Companies. Images of checks and customer payment coupons are easily processed & retrieved through our system.

Simplify Check Management with Remote Deposit.
